

Partnership in Prosperity Award Ceremony

About the Ceremony

Jeffco Human Services Foundation will host the Inaugural **Partnership in Prosperity Award Ceremony** at Red Rocks Community College. During this event, the Foundation will present two community members with the *Partnership in Prosperity Award* and the *Prosperity Award*.

Special guest, Congressman Ed Perlmutter, will be the first to receive the *Partnership in Prosperity Award* recognizing his work in improving systems for families experiencing poverty and advancing the wellbeing of Jeffco residents through advocacy.

The first *Prosperity Award* will be bestowed upon Rynn Sango, a graduate of the Jeffco Prosperity Partners (JPP) program, honoring her hard work and resilience to exit generational poverty.

About Jeffco Human Services Foundation

We believe that all individuals, if given a **quality education**, opportunities driven by **their own goals**, surrounded by **community and individual support**, will generate success and stand on their own two feet.

Jeffco Human Services Foundation is a nonprofit, community-based organization **on a mission** to break the cycle of generational poverty in Jefferson County. We support the **Jeffco Prosperity Partners (JPP)** program and additional innovations that work with multi-generational families to **overcome barriers** brought on by poverty to reach self-sufficiency. Our goal is to share our successes and model with other counties here and across the country to further reduce generational poverty and **promote thriving communities**.
